<b>Message:</b>	<p>Thank you very much for your support last night at the Ordination and Licensing Ceremony.</p> <p>It was a full service with no seats available in the church. It was complete packed. I noticed people still arriving long after the Ordination aspect of the service was over.</p> <p>It was an anointed service with great performances by the gospel group, Born Again, thank you. I received so many compliments on your group's performance. Pastor Wilson especially loved the music too and his church has space on his program to receive you on Sunday mornings. Several visitors in the audience love your group as well, and of course Alvin and I think you are fabulous.</p> <p>Inspirational Speech by Luciano Santani and a wonderful message by Minister Donna Pickens.</p> <p>The reception went very well also. Many guests attended and poised for photos with the newly ordained clergy members and eat refreshments and viewed the ordination certifications, licenses and degrees that were awarded to the graduates.</p> <p>We are now accepting enrollment for all programs with two additional programs beginning in January: Musical Ministry and Church Financing. Please download your application from our website at: <a href="http://www.church-living-god.org/Ministry_Training.html">www.church-living-god.org/Ministry_Training.html</a></p> <p>Pastor Maggie Campbell 661-273-3197</p>
